

ATAG iC Combination boiler iC24 iC28 iC36 iC40

Key features and benefits

- 14 year warranty, including all parts and labour.*
- ATAG iCon stainless steel heat exchanger — with lifetime replacement guarantee.
- Four models giving heat outputs of 24, 28, 36 and 40 kW.
- All models are Boiler Plus compliant via ATAG's passive flue gas heat recovery device.
- All models are ErP 'A' rated for heating and hot water.

These benefits too

- Quiet in operation, due to bottom-up modulation — sound attenuation of 46/48 dB is quieter than a fridge.
- Instant hot water, with pre-heat facility.
- Built-in weather compensator gives impressive efficiency benefits and increased comfort.
- Frost protection built-in.
- User friendly, with intuitive controls.
- Time and temperature controls are within the boiler casing.

And these as well

- You can control the boiler from your smartphone or tablet through the built in ATAG ONEZone smart controller.
- Detailed fault codes show on the boiler's LCD display for quicker, more accurate boiler diagnostics.
- Compact dimensions (HxWxD) — 700 x 440 x 366 mm.
- A 275 mm (deep) model fits inside kitchen cupboards.
- Good for natural gas or LPG.
